Dear Families,

We know that during these difficult times money is tight with the rising fuel and food costs and we appreciate your dedication to Christian education for your children.

We at Forest Lake Christian School would like to help you with these financial demands by offering you a program that will lower your tuition cost. We have restructured our Scrip program to accomplish this. Beginning August 11, 2008, you can order Scrip every Monday, have it delivered by Friday of that same week and have 75% of the net proceeds be credited to your tuition account for the following month. *The credit to your tuition account is only for the current school year and is not transferable to the next school year. There is no cash value and no refunds will be issued.*

Every one eats food and uses gasoline, occasionally dines out, and even goes to a movie. Every one purchases clothes and household items and even has an occasional Starbucks coffee. Why not continue doing exactly what you are doing and also benefit from it! By using Scrip, you can do just that and apply 75% of the profit to help pay your tuition.

In order to participate, all orders will need to be placed on-line by simply clicking the "Scrip" icon on our website (www.forestlakechristian.org), setting up your account, and begin ordering! It is that simple. We will keep track of all orders and apply your 75% to your school tuition account. You can even pay on-line with the Scrip "Presto Pay" where your checking account is debited for your order total, or you may pay at school with a check, cash, or credit card. *A 2% fee on all credit card transactions applies.*

If you have any questions regarding this program, please feel free to contact me. I am happy to help you get set up and begin using Scrip!

In His Service,

Lori Humphrey
